Pre-K News – November 10

Reading - Next week we will continue our study of the alphabet. We will be focusing on the letter Z,z. Please send in one item beginning with the letter Z,z (zebra, zipper, etc.). **Please make sure that the item is labeled and backpack size.**

Math- Next week we will begin our unit on 2D shapes. We will be focusing on circle, square, rectangle, and triangle. Please practice finding and discussing these shapes around the house.

Science – Next week we will begin our unit on Thanksgiving. We will be reading many books about this topic.

****

Monday – send Z,z item for sharing

Tuesday and Thursday -P.E. days

Thursday – library day, please return library book

****

- We will be going outside as long as possible for recess. Please make sure that your child has a warm jacket, hat, and mittens.

- We have been practicing spelling names to line up or come to the circle. Please take a few minutes, a couple of times a week, and have your child point and say the letters of his or her name. Thank you!
- Please remember our "Coins for Caring" Drive. We are asking that you send in your extra change to help needy families in our community. The money raised will be used to support as many families as possible at Christmas. This has been a very successful drive and we are hoping for the same success this year! So gather up your extra change and send it in to your child's classroom. The class collecting the most "change" will be rewarded with a pajama day.

* We will be making many, many, many crafts during our Christmas Holiday Study in December. We ask that each child send in $5.00 by Monday, December 4, to help pay for the many extra things that we will be purchasing. Thank you!
